Job Ref: AF3720

Responsibilities:

- Manage IFRS month-end and year-end closing processes, including reconciliations
- Prepare statutory financial statements in line with local GAAP
- Support accounts payable and receivable processes, ensuring accuracy and timeliness
- Assist with tax reporting, transfer pricing files, and regulatory submissions
- Review and process employee expenses ensuring compliance with standards
- Perform monthly intercompany and bank reconciliations
- Support internal and external audits with documentation and issue resolution
- Contribute to budgets, forecasts, variance analysis, and financial systems implementation

Requirements:

- Bachelor's degree or above in Accounting, Finance, or related field
- 1-3 years of post-qualification experience in the commodities industry
- Knowledge of Japanese accounting standards and regulations
- Proficient in SAP FICO preferred
- Advanced skills in MS Excel
- Possess a valid Qualified Chartered Accountant (CA or CPA)
- Native level Japanese; advanced level written and verbal English

Company Description

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
