Responsibilities:

- Lead budgeting, forecasting, and financial reporting for the Hematology brand team
- Consolidate and analyse actuals, budgets, and projections to support business decisions
- Partner with brand, sales, and medical teams to monitor business performance and achieve financial targets
- Provide financial insights, recommendations, and scenario analyses to improve results
- Collaborate with global and local stakeholders to align financial assumptions and business plans
- Drive process improvements to enhance the accuracy and efficiency of financial reporting

Requirements:

- Bachelor's degree or above in finance and accounting
- 5-8 years of experience in financial planning and analysis
- Experience with SAP-analysis for Office and Hyperion
- Knowledge in accounting
- Understanding of Workday and MS teams is a plus
- Skilled in financial analysis, modeling, Budget/Projection cycles, P&L, strategic partnering
- Proficient in MS Office Suite
- Excellent interpersonal communication skills
- Professional level Japanese and English

Company Description

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
