Job Ref: C5GSYV

Responsibilities:

- Manage the execution of multiple audits with IIA standards
- Monitor key business, financial, and regulatory requirements applicable to the business area, including new risks

- Conduct risk analysis for the business area
- Support the formation of the internal audit plan for the year
- Create strong relationships with key management
- Assists management in following up on action plans to promote on-time closure

Requirements:

- Postgraduate degree or above in business administration, auditing, insurance, or a related domain
- Experience in financial services, insurance, or internal audit
- Possess valid CIA, CPA or internal control certifications is preferred
- Possess valid internal audit qualification is a plus
- Proficient in written and verbal English (CEFR B2+) and Japanese (CEFR C1)

Company Description

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
