Job Description

A global power trading company is seeking a Senior Accountant. The selected candidate will oversee accounting and reporting activities, ensuring accuracy, compliance, and operational excellence.

A leading global energy solutions provider, the company specialises in trading and optimising power, gas, and environmental products across international markets. With a strong commitment to innovation, sustainability, and risk management, it empowers professionals to drive impactful change in the rapidly evolving energy sector.

Job Ref: ALUWOJ

Responsibilities:

- Maintain accurate financial books and records in compliance with reporting standards and statutory requirements
- Perform monthly and quarterly closing processes to ensure timely and accurate group and statutory reporting
- Reconcile accounting data with trading systems to verify the accuracy of financial ledgers
- Prepare monthly, quarterly, and annual financial reporting packages and statements
- Handle corporate income, consumption, and business tax filings and related journal entries
- Support internal and external audit processes, ensuring proper documentation and compliance
- Identify and implement process and control improvements to enhance reporting quality and efficiency
- Support IT initiatives related to accounting and taxation systems
- Collaborate with cross-functional teams to align financial goals with overall business objectives
- Ensure adherence to accounting, trading, and compliance standards

Requirements:

- 5-10 years of accounting and/or tax-related experience
- Proven experience in financial reporting and tax compliance
- Proficient in MS Excel
- Strong interpersonal and communication skills
- Professional level Japanese; proficient in English

Company Description

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
