Job Description

We're Hiring: Trading Supervisor

???? **Location:** Bangkok

About the Role

Join a dynamic trading team specializing in chemical and agricultural products. This position offers the opportunity to work closely with Japanese management, build strong client relationships, and contribute to business growth in a fast-paced environment.

Key Responsibilities

- Manage chemical-related products (chemicals, agricultural materials) from suppliers and deliver to customers.
- Identify potential customers and develop new business opportunities.
- Coordinate with relevant parties to ensure accurate order handling, timely delivery, and smooth communication.
- Oversee inventory and maintain accurate data (primarily using Excel).
- Build and maintain strong relationships with customers and suppliers.
- Support suppliers visiting from Japan (including interpretation when necessary).
- Assist Japanese manager with meetings, customer visits, and supplier visits (mainly Japanese companies).
- Perform any other tasks as assigned.

Qualifications

- Bachelor's degree in Logistics, Science, Chemical, or related fields.
- Experience in sales with Japanese companies (preferably in chemical industry).
- Strong leadership, interpersonal skills, open-mindedness, and positive attitude; familiarity with Japanese business culture.
- Good command of English and proficiency in basic computer programs.
- Japanese language ability equivalent to JLPT N2 or higher.
- Ability to work under pressure and maintain high motivation in a Japanese management environment.
- Possession of a driving license or own car is an advantage.
