Job Description

Company Overview: One of the leading Japanese trading company having their HQ in Delhi.

Job Overview:

Looking for individual who will be supporting the business development activities in Bangalore with strong connections in market from the Food industry.

Job Location: Base location will remain Bangalore but the individual will be expected to travel PAN for business requirements.

Job Responsibilities:

- Look after procurement, inspection and other activities related to food sourcing (seafood, agriculture etc..) & business

development from India.

- Supporting on going activities (ex. Vending machine and Restaurant operation) and related activities as per requirements from time to time.
- Develop food service business in India, starting from Bangalore.
- Finding new customer (B2B) for RTC/RTE in India and overseas countries by using company's capabilities.
- Coordinating closely with the team of company internal team and global HQ for creating new businesses.
- Help support team to identify marketing opportunities for exploring into FMCG market.
- Support the accounts related activities (like making the invoices, way bill, payment follow-up etc) for the respective business departments as per requirement of the organization.

Job Requirements:

- Looking for graduates having 3+ years of B2B sales / business development experience from food industry preferably.
- Must be comfortable for travelling PAN India
