Job Ref: MR88PN

Responsibilities:

- Lead and coach the AR team to drive performance and professional growth
- Oversee credit evaluations, risk analysis, and credit limit approvals
- Manage collections activities, overdue accounts, and payment negotiations

- Resolve billing and payment disputes in collaboration with internal teams and customers
- Prepare and analyse AR aging, collections, and credit risk reports
- Maintain accurate AR records, support month-end and year-end closing, and ensure compliance

Requirements:

- Bachelor's degree or above in finance, accounting, business administration, or a related field
- More than 4 years of experience in accounts receivable
- More than 1 year in a supervisory or leadership role
- Knowledge of credit risk assessment, accounts receivable management, and collection techniques
- Proficient in MS Office Suite
- Professional level Japanese and English

Preferred requirements:

- Prior NetSuite ERP experience

Company Description

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
