### Job Description

We are looking for a skilled and strategic Marketing Communications Specialist to lead integrated marketing initiatives for the Thai IT market.

**Responsibilities:**

- Develop and execute end-to-end marketing communication strategies for the Thai IT market in alignment with regional teams.
- Oversee planning, production, and quality control of marketing content, advertisements, and promotional materials.
- Define target audiences and develop clear messaging and storytelling approaches.
- Manage PR, advertising agencies, and production vendors to deliver effective campaigns and media coverage.
- Track campaign performance, generate insights, and implement improvements to optimize marketing effectiveness.

**Qualifications:**

- Proficiency in **Japanese with business-level English communication** skills.
- 3+ years of hands-on experience in marketing communications.
- Strong skills in audience targeting, message development, and media planning.
- Experience directing digital advertising and content production (web pages, product catalogs, videos, etc.).
- Understanding of web marketing and basic knowledge of web technologies (e.g., ability to read HTML source code).
