### Job Description

An international financial services company is seeking a Vice President for Japan Markets Surveillance. The successful candidate will oversee a team responsible for detecting and investigating market misconduct and ensuring compliance with global standards. This is a hybrid role.

This organisation is a subsidiary of one of the largest investment banks in the world. They have found success in offering security brokerage and dealing services to several companies.

**Company Description**

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
