Job Description

A renowned computer hardware manufacturing company is looking for a Finance Supervisor. The selected candidate will oversee core finance and accounting operations while leading system implementation, reporting, and cross-functional financial consultation. This is a remote role.

A global organisation engaged in computer hardware manufacturing, designing and producing reliable personal computing devices for both enterprise and consumer markets. It is recognised for its advanced engineering expertise, high quality standards, and strong presence in the global technology industry.

Responsibilities:

- Lead and manage the finance and accounting team
- Review and approve journal entries, payments, and financial statements
- Prepare financial statements and reports for the parent company
- Support tax declaration activities as required
- Lead SAP FICO RTR module implementation
- Provide finance consultation to departments for new transactions and transitions

Requirements:

- More than 5 years of professional experience
- Proficient in MS Office Suite
- Skilled in preparing financial statements
- Excellent people management skills
- Professional level Japanese

Company Description

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
