Job Description

Our client: Electronics industry

Location: Bkk City

Salary: 30,000 – 50,000 THB (negotiable)

Responsible for driving sales of SMT machines, electronics and related equipment, developing new business opportunities, and maintaining strong relationships with existing customers. The role also involves technical coordination and market trend analysis to support client needs.

Key Responsibilities

- Promote and sell SMT machines and peripheral equipment to existing and new customers
- Identify and develop new business opportunities in electronics and industrial sectors.
- Prepare and present quotations, proposals, and product demonstrations.
- Maintain strong relationships with key accounts and ensure high customer satisfaction.
- Respond promptly to customer inquiries and resolve equipment-related issues.
- Liaise with internal engineering teams and suppliers to provide technical solutions.
- Share insights with management and clients to support strategic decisions.

Requirements

- Bachelor's degree in Electronical Engineering, Business Administration or related.
- 1+ years of sales experience in industrial/electronics equipment/PCB assembly/laser equipment, SMT or related preferred
- Valid car driving license.
- Proactive and confident, able to take initiative.
- Strong interpersonal skills and ability to handle challenges.
- Comfortable working in a fast-paced, technology-driven environment.
