## Job Description

**■Job Description**

This role involves corporate sales and consulting, focusing on identifying organizational challenges and talent development needs, and proposing effective solutions through training and consulting services.

※ The primary clients are Japanese-affiliated companies.

**■Key Responsibilities**

- Consultative Sales
- Engaging with both new and existing corporate clients (scheduling meetings, conducting visits, and gathering insights)
- Identifying business challenges and talent development needs, and proposing customized solutions
- Planning, presenting, and supporting the implementation of training and consulting programs
- Building and nurturing long-term client relationships through continuous follow-up

(Note: In the initial phase, the role will primarily focus on sales activities.)

■Position Highlights

- Opportunity to work with a diverse range of clients across industries, gaining broad business knowledge and market insights
- Involvement in both sales and consulting activities, allowing you to develop strong skills in proposal creation, problem-solving, and execution
- Frequent interactions with senior management, offering practical exposure to strategic thinking and leadership
- As the company enters the Indian market, you'll be part of a dynamic and challenging environment, contributing to business development from the ground up

■Required Qualifications

- Japanese language proficiency (JLPT N2 or higher)
- Experience in B2B sales
