Job Description

Job Title: Assistant Designer - Graphic

Location: Singapore

Your New Company Be part of a globally recognized lifestyle and character brand that inspires creativity and joy across diverse markets. The organization is expanding its creative team in Southeast Asia and is looking for a talented designer to help shape its visual identity and product experience.

Your New Role As an Assistant Designer, you will play a key role in ensuring brand consistency and delivering visually compelling designs for licensed products and marketing campaigns. This position involves close collaboration with internal teams and external partners to maintain high creative standards and drive impactful regional initiatives. **Key**

Responsibilities

- Partner with business and marketing teams to review production timelines and ensure timely product launches.
- Act as a brand steward by enforcing design guidelines and quality standards across all creative outputs.
- Review and approve product samples and creative submissions to maintain consistency and excellence.
- Track and manage design approvals within assigned timelines.
- Provide brand training to partners to ensure alignment with brand values and positioning.
- Prepare and distribute style guides and communicate design standards effectively.
- Collaborate with the creative lead to develop seasonal toolkits, product guidelines, and marketing materials tailored for the region.
- Approve marketing collaterals and ensure alignment with campaign objectives.
- Design engaging social media graphics that resonate with target audiences and strengthen brand presence.

Qualifications

- Diploma or Degree in Graphic Design, Visual Communication, Product Design, Fine Arts, or related field (or equivalent experience).
- 1–3 years of experience in design, preferably in branding, licensing, or product development.
- Strong attention to detail and ability to manage multiple deadlines.
- Excellent communication skills to articulate creative concepts clearly.
- Team-oriented with strong collaboration skills.
- Proficient in Adobe Creative Suite (Illustrator and Photoshop).
