Job Description

【求人No NJB2353382】

【職務内容 Job Description】

Establish optimal Pricing Market Access strategy for key products from an earlier development stage (PII ~ JNDA).
Achieve target price for reasonable products through strategic negotiations with MHLW.

・ Lead strategic price negotiation with MHLW on responsible products and manage preparation for the negotiation. ・

- Assess price potential of assigned products under close collaboration with Market Access group.
- Contribute to business planning with insightful analysis on healthcare pricing environment change through close monitoring of discussion at Government councils and pricing tendency. •
- Collaborate with other departments to gain support for optimal pricing based on pricing strategy for responsible products.
- Collaborate with Global Pricing Market Access in order to align our pricing strategy on responsible products with global strategy and gain support from global team as needed basis.
- Build strong relationship with MHLW officials and industry colleagues through trade association activities and leverage them for optimal pricing outcome. •
- Educate stakeholders in the global HQs about Japanese pricing system and health insurance related systems.
