Job Description

Key Responsibilities

- Identify, evaluate, and develop new market opportunities and business models, with a focus on Food, Retail, and Consumer sectors.
- Take full ownership of business development lifecycles—from initial concept and feasibility studies to successful execution and operational handover.
- Cultivate and maintain strong relationships with local strategic partners to unlock and secure high-value business opportunities.
- Contribute to and lead activities related to mergers, acquisitions, and strategic investments.
- Serve as a primary communicator between Local Management, Regional HQ, and Global Head Office to ensure all initiatives are aligned with broader corporate strategies.

Candidate Requirements

- Bachelor's degree or higher in Business, Economics, or a related field.

- Minimum of 5 years in Business Development or Project Management.
- Proven track record in the Food, Retail, or FMCG industries is highly preferred.
- Experience in driving new business from scratch, M&A processes, or leading teams is a significant advantage. A technical background is also a plus.
- Must possess high-level analytical thinking, a self-driven attitude, and the ability to work proactively in a fast-paced environment.
- Excellent command of English (both written and spoken) is required for reporting and cross-border collaboration.
