Job Description

Key Responsibilities:

Lead and grow the company's B2B specification sales across Asian countries:

- Own regional revenue, margin, and pipeline.
- Lead multi-country sales teams and enforce performance standards.
- Drive specification-led sales with architects, designers, and developers.
- Maintain strong CRM discipline, forecasting, and pipeline accuracy.
- Deliver clear, data-driven presentations to leadership.
- Align regional activities with Asia strategy and collaborate cross-functionally.

Key Requirements:

- Senior sales leadership in construction/architectural/specification-led B2B.
- Experience managing multi-country teams and long-cycle project pipelines.
- Strong CRM, forecasting, and process-driven leadership.
- Excellent communication and cross-cultural management skills.
- International or Southeast Asia experience preferred.

Success Measures:

- Strong pipeline visibility and conversion.
- Consistent sales cadence and CRM adoption.
- Revenue and margin targets achieved.
- Effective partnership with Regional Director.
