## Job Description

【求人No NJB2342511】

Acting as co pilot to the business leader (s) your key accountability is to partner with your business partner to drive commercial performance outcomes against plans forecasts and strategic objectives. This role may or may not have line manager responsibilities. You will be a trusted and relied upon partner respected for your commercial acumen and your ability to provide succinct but powerful storytelling with actionable insight.

You will be the face of Finance for your business stakeholders connecting them where appropriate with your finance colleagues within CBS or the wider Finance team to solve the problems that don't fall within the accountabilities of the FBP e.g. statutory accounting tax and controlling activities. You will be an advocate for the Finance Service Delivery Model helping your stakeholders understand the new ways of working in Finance.  
You will be a leader within the Finance organization pro actively sharing your business knowledge and commercial acumen with the FP A team members to build enduring capability for your BU.

---

### Required Skills

- Ability to develop effective relationships and maintain constructive communication across wide spectrum of internal stakeholders in a matrix environment.
  - Ability to see the "big picture" with attention to detail where necessary.
  - Strong storytelling and networking capabilities
  - Analytical ability to assess complex business cases and commercial agreements.
-
