Job Description

Company and Job Overview

JAC's client is newly established factory based in Ho Nai, Dong Nai.

Job Responsibilities

Customs transactions & Compliance management:

- Monitor and process import/export activities
- Ensure customs declarations are completed accurately and on time
- Apply VN customs laws and maintain high compliance across all operations

- Translate and manage customs-related master data

Brokers & Invoicing management:

- Coordinate with brokers on product classification & clearance processes
- Track broker performance, support implementation, and validate invoicing
- Ensure timely payment processing and system updates for customs fees

BOM Modifications & Data Support:

- Support BOM changes and communicate with authorities when needed
- Maintain and update customs-relevant data for product and material records
- Assist with licenses, quotas, and other trade-related authorizations

Audit & Regulatory Support:

- Maintain GTS audit trails and prepare for internal/external audits
- Assist in regression testing, master data alignment, and system enhancements
- Provide guidance and answer customs-related questions from internal users in Vietnam

Job Requirements

- Degree in International trade, business or related
- 3-5 years' experience in import/export - preferably in Manufacturing companies
- Experience in Customs Finalization Report is a plus
- Experience in SAP system
