### Job Description

We are seeking an experienced Finance Manager who is fluent in Korean and well-versed in both Malaysia and Korea tax regulations. This role is responsible for overseeing financial operations, ensuring compliance with cross-border tax requirements, and supporting the company's financial strategy in alignment with corporate headquarters. The ideal candidate is detail-oriented, analytical, and capable of managing end-to-end finance functions while communicating effectively with stakeholders in Malaysia and Korea.

### Key Responsibilities

- Financial Management & Reporting
  - Lead full-spectrum finance operations including accounting, budgeting, forecasting, and month-end closing.
  - Prepare and review financial statements in accordance with Malaysian Financial Reporting Standards (MFRS) and corporate guidelines.
  - Ensure smooth financial communication and reporting to headquarters in Korea.
- Tax Compliance (Malaysia & Korea)
  - Manage and ensure compliance with Malaysian tax requirements (corporate tax, SST, withholding tax, transfer pricing, etc.).

- Support and coordinate Korea tax-related matters in collaboration with the Korean HQ finance team.
- Provide guidance on cross-border tax implications, tax planning, and regulatory changes in both countries.
- Liaise with external tax agents, auditors, and government authorities when needed.
- Financial Control & Governance
  - Establish and enforce strong internal controls and financial policies.
- Oversee annual audits and ensure timely completion of statutory filings.
- Monitor cash flow, financial risks, and cost optimization initiatives.
- Business Partnering
  - Work closely with the management team to support business decisions with accurate financial insights.
  - Act as the key finance liaison between the Malaysia operations and Korea headquarters.
  - Provide financial analysis for new investments, cost-saving projects, and operational improvements.
- Team Leadership
  - Supervise and guide the finance team to ensure accuracy, efficiency, and continuous development.
  - Drive process improvement and digitalization initiatives across the finance function.

### Key Requirements

- Bachelor's Degree in Accounting, Finance, or related field. Professional certifications (CPA, ACCA, CIMA) are an added advantage.
- Fluency in both Korean and English (spoken and written) is mandatory.
- Minimum 5–8 years of finance experience, preferably with exposure to multinational or manufacturing environments.
- Strong understanding of Malaysian tax regulations and working knowledge of Korean tax principles. Experience in cross-border reporting, multinational finance operations, or Korean corporate environments is highly valued.
- Solid analytical, problem-solving, and leadership skills.
- Able to work independently, meet deadlines, and communicate effectively with stakeholders across countries.
