### Job Description

**Qualifications**

- Bachelor's degree in the areas of interior design, architecture engineering, civil engineering.
- Background in furniture or proven experience in full building fit-out including furniture supply and installation is a must!
- 5+ years of project management experience in construction from scratch. 4 and/or 5-star hotel experience is a must!
- Energetic and polished individual with prior experience working with government.
- Prior experience managing successful projects with values minimal from IDR 50B +.
- Experience with high-end architectural + millwork packages.
- Prior experience leading and overseeing multiple concurrent projects (3–4 projects at a time), with proven ability to delegate and manage Site Managers.

### **Responsibilities**

- Assist in developing and delivering built-in furniture solutions in line with client requirements.
- Manage all phases of the project from beginning to the end, including Budget Plan & Cost (RAB), schedules, work methods, manpower, and materials.
- Ensure the Budget Plan and Cost (RAB) are in accordance with the approved budget.
- Monitor project schedules, progress, and site issues, and conduct evaluation, supervision, and reporting.
- Oversee and evaluate the work of Site Managers.
- Perform overall evaluation of project implementation.
- Ensure timely invoicing and payment collection from clients.

**Think you tick all the boxes? Great!**

After applying, **send me a DM on my LinkedIn (Milysa Tjandra) briefly explaining why you're the best fit** for this role.
