Job Description

Key Responsibilities

- Conduct data analysis to identify trends, opportunities, and areas for improvement in business operations.
- Support project analysis by gathering requirements, monitoring progress, and evaluating outcomes.
- Perform market research to understand industry trends, customer needs, and competitive positioning.
- Collaborate with cross-functional teams to provide insights that support strategic decision-making.
- Prepare reports, dashboards, and presentations to communicate findings effectively.

Requirements

- Bachelor's degree in Business, Economics, Statistics, Engineering, or related field.

- Strong analytical and problem-solving skills.
- Knowledge of data analysis tools (Excel, SQL, or similar).
- Ability to conduct market research and interpret results.
- Excellent communication and presentation skills.
- Open to fresh graduates and entry-level candidates.
