Job Description

A multinational medical devices company is looking for an FP&A Manager. The selected candidate will lead financial analysis, budgeting, forecasting, and strategic planning to drive informed business decisions and performance improvement.

A global healthcare technology leader specialising in innovative medical devices, this organisation is renowned for advancing digital health solutions that empower people to manage chronic conditions more effectively. With a strong focus on innovation, quality, and patient-centric design, it offers job seekers the opportunity to build a rewarding career in a fast-growing, high-impact medical technology environment alongside talented professionals.

財務分析, 予算管理, 業績予測, 経営企画, FP&A, 日本市場, 求人, 外資系

Job Ref: YM25QF

Responsibilities:

- Analyse financial performance, key metrics, and market trends within the Japan business
- Prepare and present financial reports with insights and recommendations for management
- Lead the annual budgeting process in collaboration with regional and corporate teams
- Develop and maintain accurate financial forecasts reflecting market dynamics and business drivers
- Provide strategic financial insights to support decision-making and growth initiatives
- Conduct variance analysis and recommend corrective actions against budgets and forecasts
- Monitor performance metrics and identify optimisation opportunities
- Ensure compliance with quality standards and documented requirements
- Assess financial risks and implement mitigation strategies in the Japan market

Requirements:

- Bachelor's degree or above in Finance, Accounting, Economics, or a related field
- 5-8 years of experience in FP&A, finance business partnering, or related roles
- Experience supporting the Japan market in a finance function
- Proficient in financial modelling, Excel, and analytical tools
- In-depth knowledge of Japanese accounting standards, business practices, and regulatory frameworks
- Professional level Japanese and English

Preferred requirements:

- Possess a valid MBA or relevant certification (e.g., CFA, CPA)

Company Description

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
