Job Description

Company Overview

The company is committed to researching and developing treatments for rare diseases. It strives to deliver high-quality medications that enhance the health and well-being of patients. As a prominent player in the orphan drug sector, the company collaborates with various partners, including its headquarters in Japan, to expand its business.

Job Responsibilities

- Acquiring a thorough understanding of key customer needs and requirements.
- Developing relationships within a designated Territory with local HCPs for a portfolio of pharmaceutical drugs and / or devices.
- Expanding the relationships with existing customers by continuously proposing solutions that meet their needs and objectives.

- Ensure the correct products and services are delivered to customers in a timely manner.
- Serve as the link of communication between key customers and internal teams.
- Resolve any issues and problems faced by customers and deal with complaints to maintain trust.
- Responsible for the sales situation within the assigned area.
- Initiation, participation and support of congresses and trade fairs, also at weekends.
- Prepare regular reports of progress and forecasts to internal and external stakeholders using key account metrics.

Job Requirements

- Native level German and business level English proficiency.
- 2years of pharmaceutical sales experience in the rare disease or dermatology field.

Benefits

- Company car
- A flexible work style not bound by location or time
Opportunities to gain diverse experiences
-
