Job Description

«Job Description & Position Highlights»

- Responsible for establishing and expanding the overseas sales organization for our proprietary SaaS

- Challenge in the global market / Potential for early promotion based on results
- Leverage experience in overseas sales, new business development, and SaaS proposals
- Stock options and company cafeteria services available

【Job Responsibilities】

- Establishing sales functions/sales organizations at overseas locations
- Developing overseas customers
- Acquiring new customers
- Presenting our products to executive management
- Following up with existing customers and building relationships
- Marketing activities (exhibition participation, social media management, etc.)
- Providing product feedback to the development department

1. Sales activities for our SaaS product “Translead CRM”

We pursue new business opportunities for our CRM product and aim to secure contracts. We deeply understand the structures of various industries and customer challenges to provide optimal solutions.

2. Relationship building

We build trust with customer decision-makers and stakeholders to form long-term partnerships.

3. Solution Proposals and Presentations

Clearly and effectively propose DX solutions based on client needs. Create customized proposal materials as needed and deliver presentations.

4. Project Collaboration

Collaborate with the technical team during post-order project execution to ensure smooth implementation.

■Career Advancement Example:

Promotions can be achieved quickly based on performance.

You will start as a sales member, catching up on our business and culture.

Founded by former Keyence employees, we offer a merit-based evaluation system, salary/promotion opportunities, and stock option programs. Even those without prior SaaS sales experience can achieve higher annual income and positions than before.

【Employment Type】

Full-time Employee
