### Job Description

#### About Sollers Consulting

Sollers Consulting is more than a consultancy and software integrator.

As a company founded in 2000, our mission has been to transform the financial & insurance industries by helping them adapt to new technologies.

The power of collaboration and the limitless potential of Sollers people are at the root of our success. We strive to be the best at what we do, both in the eyes of our team and our customers. We put people at the heart of every project.

< **Company Introduction Video** >

**We would like to share a short video introducing our HR initiatives and employee support systems. The video features English audio.**

We hope it gives you a sense of our company culture and work environment.
