Job Description

POSITION SUMMARY

A growing organization is seeking a highly analytical Financial Analyst to play a key role in driving strategic decision-making. This position partners closely with senior leadership, transforming financial data into actionable insights that shape the company's future direction.

RESPONSIBILITIES

- Build and manage advanced financial models (P&L, Balance Sheet, Cash Flow, Forecasts, KPIs, FX, debt schedules)
- Perform short- and long-term forecasting using data-driven methods
- Conduct variance analysis and deliver recommendations to department leaders

- Partner with cross-functional teams (Marketing, Sales, Logistics, Operations)
- Monitor cash flow cycles and working capital initiatives
- Prepare executive dashboards and quarterly reporting materials
- Identify opportunities for automation utilizing tools such as Power BI and Tableau
- Support risk management and internal control processes
- Lead or support projects focused on continuous improvement and business continuity

QUALIFICATIONS

- Bachelor's degree in Finance, Accounting, Economics, or Mathematics
- 2–4 years of experience in corporate finance, investment banking, or accounting
- Advanced Excel skills (including Power Query); proficiency with ERP systems
- Strong understanding of GAAP and financial statements
- Experience with data analytics (SQL, Power BI, Tableau)
- Ability to translate complex financial information into actionable insights
- Strong adaptability and analytical reasoning skills

SALARY USD 87,000–\$115,800

LOCATION Santa Fe Springs, CA

BENEFITS

- Health, dental, vision, life & accident, and pet insurance
- 401(k) with company matching
- 19 days of paid time off
- Wellness program and EAP assistance and much more!
