This role requires fluency in Japanese, strong consulting skills, and a deep understanding of financial markets and investment strategies.

**Key Responsibilities:**

- Serve as a primary point of contact for Japanese-speaking clients, understanding their needs and providing tailored investment advice.
- Conduct thorough market research and analysis to support client recommendations and strategies.

- Collaborate closely with internal teams to develop comprehensive investment proposals and presentations.
- Monitor and assess financial performance and market trends, providing proactive insights to clients.
- Build and maintain strong client relationships through regular communication and exceptional service delivery.

**Qualifications:**

- Fluency in Japanese (JLPTN1 is requires) with excellent verbal and written communication skills.
- Proven experience in investment consulting, financial advisory, or related fields.
- Strong analytical skills and the ability to interpret complex financial data.
- Exceptional client-facing and interpersonal skills, with a track record of building trust and rapport.
- Bachelor's degree in Business Administration, Finance, Accounting or related fields.
- Relevant certifications (CFA, CPA, etc.) are a plus.

**Why Join Us:**

- Opportunity to work with a diverse and talented team in a collaborative environment.
- Competitive compensation package.
- Career development and growth opportunities within a reputable investment consulting firm.
- Exposure to challenging and intellectually stimulating projects in the global financial market.

**Application Process:** Interested candidates are invited to submit a resume and cover letter outlining their qualifications and relevant experience by "APPLY" directly to the system.

**Notice:** By submitting an application for this position, you acknowledge and consent to the disclosure of your personal information to the Privacy Policy and Terms and Conditions, for the purpose of recruitment and candidate evaluation.
