About the Role: Our client, a leading company in the automotive industry, is seeking a skilled Japanese Interpreter to join their Quality Control department. This role is crucial for ensuring effective communication between Japanese and Thai teams, contributing to the high standards of quality control.

Key Responsibilities:

- Interpret conversations and meetings between Japanese and Thai team members.
- Translate technical documents, reports, and quality control materials.
- Assist in ensuring clear and accurate communication during quality control inspections and processes.
- Support the Quality Control department with any additional language-related tasks as needed.

Qualifications:

- JLPT N2 or above certification.
- 1-2 years of direct experience as a Japanese Interpreter.
- Experience in the automotive industry is an advantage.
- Strong proficiency in both Japanese and Thai languages.
- Excellent communication and interpersonal skills.
- Attention to detail and ability to handle technical terminology.

Benefits:

- Competitive salary based on experience.
- Attractive bonus.
- Health and dental insurance.
- Opportunities for professional development and growth.
- Supportive and dynamic work environment.
- Shuttle bus provided.

How to Apply: If you meet the qualifications and are excited about this opportunity, please submit your resume and a cover letter by click "APPLY". We look forward to hearing from you!
