Job Description

Japanese Speaking Consultant

Location: Bangkok (Remote)

Leading Japanese Consulting Firm

Our client is a well-established and highly respected Japanese consulting firm, globally recognized for delivering strategic, operational, and transformation advisory services to multinational and Japanese corporate clients. Due to strong business growth in Thailand, they are looking to appoint a Japanese Speaking Consultant to join their expanding team.

This is an excellent opportunity for professionals who enjoy working in a bilingual, cross-cultural consulting environment, supporting high-profile Japanese clients.

Role Overview

As a Japanese Speaking Consultant, you will work closely with Japanese and international clients, providing consulting support across business strategy, operations, and project execution. You will also act as a key liaison between Japanese

stakeholders and local teams.

Key Responsibilities

- Support Japanese corporate clients on consulting projects across various industries
- Conduct business analysis, market research, and data-driven insights
- Prepare reports, proposals, and presentations in Japanese and English
- Act as a communication bridge between Japanese clients and internal consulting teams
- Participate in client meetings, workshops, and project discussions
- Support project management activities to ensure timely delivery

Requirements

- Japanese language proficiency (Business level – JLPT N2/N1)
- Strong communication skills in English (working level)
- Bachelor's or Master's degree in Business, Economics, Engineering, or related fields
- Experience in consulting, professional services, or corporate roles is preferred
- Strong analytical, problem-solving, and presentation skills
- Ability to work in a fast-paced, client-facing environment
- Open to Thai nationals or expatriates based in Thailand

What's on Offer

- Opportunity to work with a top-tier Japanese consulting firm
- Exposure to high-profile Japanese and multinational clients
- Structured career development and consulting training
- Competitive salary and performance-based bonus
- Professional, international, and collaborative working culture
