Job Description

An international mobility and technology company is looking for a Legal Associate. The selected candidate will provide strategic legal support across R&D activities, contract management, and cross-functional projects in a fast-paced innovation environment. This is a hybrid setup role.

A cutting-edge mobility and technology company specialising in innovative automotive solutions and smart infrastructure, driving the future of connected transportation. Renowned for fostering a dynamic and collaborative work environment, it offers opportunities for skilled professionals seeking growth, innovation, and impactful careers in the mobility and tech industry.

Job Ref: 5IQ9Q3

Responsibilities:

- Provide legal support for research and development activities and the commercialisation of new mobility services
- Review and draft contracts in English and Japanese and support or lead contract negotiations
- Manage and review legal document translations between English and Japanese
- Collaborate with internal and external stakeholders to deliver strategic legal advice and mitigate risk
- Support the resolution of labour issues and other disputes from a legal perspective

Requirements:

- Bachelor's degree or above in Law
- More than 2 years of experience in a corporate legal department
- More than 1 and a half years of experience in reviewing and drafting contracts at a company's legal department
- More than 1 year of work or training experience outside Japan
- Skilled in contract review, negotiation support, and cross-border legal coordination
- Experience handling litigation or dispute resolution and advising on joint projects or external collaborations
- Business level Japanese and English

Benefits:

- Competitive salary based on experience
- Japanese social insurance, including health, pension, workers' compensation, unemployment, and long-term care
- Housing allowance
- Retirement benefits
- Rental car support
- In-house training programs, including software and language study

Company Description

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
