Job Description

COMPANY OVERVIEW

A global manufacturer of natural food and beverage ingredients is seeking a **Regulatory Affairs Manager** to join the team. This role involves coordinating regulatory approvals and ensuring food ingredients comply with Asia-Pacific regulations, customer requirements, and dietary laws through close work with global teams and local authorities.

JOB RESPONSIBILITIES

- Manage regulatory approvals and ensure Kalsec food ingredients comply with Asia-Pacific regulations and dietary laws.
- Work with global teams and local authorities to support product registrations and regulatory submissions.
- Monitor and interpret regulatory changes affecting food ingredients and share updates internally.
- Handle customer regulatory inquiries, including documentation on quality, safety, and compliance.
- Maintain accurate product regulatory databases and support continuous process improvements.

JOB REQUIREMENTS

- Bachelor's degree in Food Science, Chemistry, or a related field.
- 8+ years of regulatory affairs experience in the food industry, with regional (Asia) exposure.
- Strong ability to interpret regulations and provide clear guidance to internal teams and customers.
- Comfortable managing high volumes of requests under tight deadlines.
- Detail-oriented with strong written communication and documentation skills.
