Job Description

COMPANY OVERVIEW

Our client (Electronics manufacturing) is looking for the Electric Fixture Engineer (Engineer or Senior Engineer) position.

Work Location: Long Duc – Dong Nai

JOB RESPONSIBILITIES

- Design, modify, and maintain electric fixtures used for product testing.
- Support ICT/FCT and conduct functional electrical testing of PCB products.
- Set up electrical connections between fixtures and test equipment.
- Troubleshoot and resolve electrical fixture issues and test-related problems.

- Ensure the reliability, safety, and stability of all testing equipment.
- Prepare and maintain technical documents, test procedures, and maintenance records.
- Collaborate with QA, Production, and Engineering teams to enhance testing efficiency and product quality.
- Support NPI (New Product Introduction) activities and production ramp-up processes.

JOB REQUIREMENTS

- Education: College or University degree (Preferred majors: Electrical Engineering, Electronics, Automation, Electrical/Industrial Engineering Or other related technical fields).
- Minimum 3 years of experience in related fields.
- Experience in electric fixture design or maintenance in a manufacturing environment is preferred.
- Familiarity with ICT, FCT, and electrical testing processes is required.

Technical Skills

- Ability to read and understand electrical schematics and PCB layouts.
- Skilled in using electrical measuring instruments (multimeter, oscilloscope, power supply, etc.).
- Knowledge of fixture design, relays, sensors, and safety circuits.
- Strong ability in troubleshooting and debugging testing equipment.

Soft Skills

- Strong problem-solving and analytical skills.
- Good communication and teamwork capabilities.
- Ability to work under pressure in a production environment.
- Attention to detail and a positive, proactive attitude.
- Responsible and organized work approach.
- Language: English or Japanese (at least one language is required).

BENEFITS

- Working hours: Monday to Friday (every other Saturday) from 8am to 5pm.
- Transportation provided from Ho Chi Minh City, Binh Duong, Dong Nai, and Ba Ria - Vung Tau.
- Interview Round: 1 round
