Job Description

【求人No NJB2366962】

The purpose of this role is to contribute to a company's future growth by building and delivering a best in class Health Safety and Wellbeing experience for our Employees Customers and Business Partners.

The Health Safety (HS) Manager will act as the HS Business Partner and as a subject matter expert (SME) to spearhead the implementation and compliance to an impactful Health Safety and Wellbeing strategy across all local sites ensuring compliance safety culture and employee wellbeing

Required Skills

Bachelor's degree (Occupational Health Safety or related field a plus)
Minimum 8 years' H S management experience preferably in large multi site organizations (retail sector a plus)
Strong knowledge of Japan H S legislation ISO 45001 and H S management systems
Proven ability to design implement and manage H S strategies and programs
Excellent influencing and interpersonal skills; able to build trust guide others and foster a positive safety culture with humility
Proactive people oriented and eager to engage with stakeholders to understand business needs
Demonstrates patience resilience adaptability and high emotional intelligence
Quick learner with strong planning prioritization and problem solving abilities
Full professional proficiency in both English and Japanese
Individual contributor role: Able to work independently while demonstrating leadership and providing advisory support to senior stakeholders
