Job Description

■ Understanding the ever-evolving digital landscape and the marketing needs of companies utilizing media, we propose a wide range of integrated communication strategies to clients, including media strategies and digital experience analytics. This includes media-based content creation, media-based branding, media-based event planning and proposals, and media

strategies.
■ For global clients, we lead projects as the core of the team, bringing together specialists from various fields to provide client solutions.
■ We collaborate with global and regional teams, acting as part of a team that delivers integrated solutions across borders.

Required Skills

@4+ years of sales experience at an advertising agency, or 4+ years of marketing experience at a luxury brand.
@Familiarity with fashion and magazines.
@Basic understanding of media.
@Proficiency in basic business tools such as Microsoft Excel and PowerPoint.
@Japanese: Advanced business level (conversation and writing) English: Business level reading and writing required; priority given to candidates with English skills sufficient for client meetings and conversations.
@Team player
@Excellent communication skills, including collaboration and presentations with clients, internal and external partners.
@Strong curiosity and attention to detail.
