Job Description

Job Title: Senior Accounts Executive, Regional Finance

Location: Singapore - Central

Your New Company

Our client is a leading international architecture and design practice known for delivering world-class, human-centered design solutions across major global cities. With over 1,000 creative professionals operating from multiple design studios worldwide, the team combines deep local cultural insight with global research and technical expertise to create sustainable, innovative, and socially responsive environments.

Guided by a commitment to creative excellence, the firm works across a diverse portfolio that includes architecture, urban design, interiors, and landscape, shaping landmark developments throughout Asia, the Middle East, Europe, and beyond.

Your New Role

- Manage and review Accounts Receivable (AR) processes including invoicing, billing accuracy, collections follow-ups

and maintaining up-to-date ageing reports.

- Handle General Ledger (GL) functions, ensuring timely and accurate posting, reconciliations, and smooth month-end closing.
- Prepare and review regional journals, balance sheet reconciliations, and financial schedules to ensure accuracy across assigned entities.
- Process and manage high-volume accounting transactions, ensuring all entries are recorded promptly and accurately.
- Support statutory submissions, tax-related documentation, and external/internal audit requirements.
- Ensure adherence to internal controls, accounting standards, and company finance policies, highlighting discrepancies proactively.
- Assist with intercompany billing, reconciliation, and settlement activities.
- Support process improvements and standardisation efforts to streamline workflows and improve closing timelines.
- Liaise with regional stakeholders, project teams, and cross-functional departments to resolve finance-related queries efficiently.
- Maintain strong document control, proper audit trails, and compliance records in line with corporate and regulatory requirements.

Key Qualifications for Success

- At least 5–8 years of relevant experience, preferably within construction, engineering, or design & build environments (advantage).
- Strong foundation in accounting principles with hands-on experience in AR and GL, including month-end closing activities.
- Proven ability to handle high-volume transactions with accuracy and meet tight reporting deadlines.
- Experience working in a regional finance role, supporting multiple countries or business units.
- Detail-oriented, structured, and disciplined in managing reconciliations, schedules, and documentation.
- Strong problem-solving skills with the ability to analyse issues and recommend practical solutions.
- Effective time management skills, able to prioritise in a fast-paced and multi-entity setting.
- Able to work independently with a high level of ownership, accountability, and consistency in deliverables.
- Experience with ERP systems and financial tools; comfortable working across multiple platforms.
- Strong written and verbal communication skills to liaise with internal teams and support reporting needs.
- Open to Singapore Citizens and Permanent Residents (PRs) only.
