### Job Description

**Basic Requirements:**

- Possesses bachelor's degree in any major.
- Minimum 5 years of experience as Production Manager in furniture, wooden door, or other woodworking manufacturing products.
- Speaks English communicatively (There will be overseas business trip)

**Responsibilities:**

- Possess strong expertise in production management and efficient manufacturing processes for furniture, wooden doors or other wood-based products.
- Experienced in applying high standards of workplace safety and product quality within furniture, wooden doors, or wood product manufacturing environments.

- Capable of detailed planning across all production areas, including finishing, R&D, and QA-QC, while efficiently managing resources and schedules to meet production targets.
- Able to lead the implementation of TPM and TQM across production lines and consistently uphold 5S and Kaizen practices.
- Skilled at identifying sudden production issues and resolving them quickly with effective solutions.
- Well-versed in the implementation of ISO 9001, ISO 14001, and ISO 45001 standards.
- Have a solid understanding of related functions such as HR, marketing, finance, administration, and other supporting business areas.
