Job Description

Title

Country Director, Freight Forwarding & Logistics Industry

Salary

Around GBP 100K

Job profile

The Business driven Country Director UK is responsible for leading and transforming the UK entity (~25 FTE) into a stable, high-performing and profitable organization.

The role focuses on driving operational excellence, strengthening financial control and building a performance-driven culture, while leveraging existing commercial capabilities and developing the business with all stakeholders.

This is a hands-on leadership role with a clear mandate to improve performance and deliver sustainable profitability.

The commercial responsibilities are supported by an existing new strong Sales team for Japanese and Non Japanese customer, allowing the focus of this role to be also on operational and financial performance.

JOB DESCRIPTION

Key responsibilities

- Full P&L responsibility for UK
- Define and execute turnaround plan
- Improve operational efficiency (including -own- warehousing/logistics)
- Strengthen cost control and margin discipline
- Lead and align local management team
- Build up the team to Dynamic
- Ensure performance-driven culture
- Align operations with commercial activities

Success criteria

- Develop the business (directly/indirectly)
- Achieve sustainable profitability
- Optimized operational performance
- Improved efficiency and cost structure
- Stronger financial control and forecasting
- Stable and accountable team

Profile

- Main experience in freight forwarding (contract logistics less)
- Sales driven
- Strong operational and financial mindset
- Intrapreneur, hands-on, pragmatic, results-driven, bring people together
- Leadership experience with P&L responsibility
- Demonstrable experience in growing a company in structured manner

Important

We are looking for a strong operational leader with commercial affinity.
