Job Description

Job Title: BO Chargeman

Location: Bentong, Pahang Employment Type: Part-Time or Full-Time

Salary Range: Part-Time: RM5,000- RM5,500 per month (Once a week) Full-Time: RM10,000- RM12,000 per month

Job Description

The BOChargeman is responsible for the overall safety and proper operation of high-tension power supply and standby generator emergency power supply. The role involves ensuring compliance with authorities and regulations, maintaining electrical equipment, and performing site works.

Key Responsibilities

Operational Management:

- Oversee the operation of high-tension power supply and standby generator emergency power supply.
- Ensure proper functioning of electrical systems and equipment.

Maintenance:

- Perform preventive maintenance, troubleshooting, site repair works, and corrective maintenance.
- Maintain and monitor the performance of electrical equipment.

Compliance:

- Ensure compliance with relevant authorities and regulations.
- Maintain accurate records of maintenance and inspections.

Safety:

- Ensure the safety of all electrical systems and equipment.- Conduct regular safety checks and audits.

Requirements

Certification:

- Must possess a valid BO Chargeman (11kV) Certificate. **Experience:**
- Prior experience in managing high-tension power supply and standby generator systems is preferred.

Skills:

- Strong technical knowledge of electrical systems and equipment.- Excellent troubleshooting and problem-solving skills.
- Ability to work independently and manage time effectively.

Working Conditions:

Part-Time: Requires visiting the factory once a week.

Full-Time: Regular on-site presence required
