Job Description

POSITION: PRODUCTION MANAGER -ELECTRONICS – Optic Product

BUSINESS: ELECTRONICS – Optic Product

LOCATION: Pathum Thani

SALARY: 100,000 – 150,000 THB

About the Role

We are seeking an experienced Production Manager to lead manufacturing operations in a fast-paced production environment. This role is responsible for ensuring production goals are achieved efficiently while maintaining high standards of quality, safety, and cost control. The ideal candidate will be a hands-on leader who can work effectively with internal teams and external manufacturing partners to drive operational excellence.

Key Responsibilities

- Lead and manage day-to-day manufacturing operations to meet production, quality, cost, and delivery targets.
- Develop and execute production plans and schedules aligned with business needs.
- Collaborate with manufacturing partners and internal stakeholders to identify risks early and implement effective solutions.
- Ensure strict adherence to standard operating procedures (SOPs), quality systems, and regulatory requirements.
- Drive continuous improvement initiatives related to productivity, efficiency, and yield.
- Monitor and report key performance indicators (KPIs) such as throughput, quality, scrap, and cost.
- Optimize the use of labor, materials, and equipment; manage production budgets and inventory levels.
- Promote a strong culture of safety, quality awareness, and operational discipline.
- Coach, develop, and motivate production teams to achieve performance goals.

Requirements

- Bachelor's degree in Engineering, Manufacturing, Operations Management, or a related field.
- Minimum 5 years of experience in a production or manufacturing management role.
- Strong knowledge of manufacturing processes, equipment, and quality management systems.
- Proven ability to lead teams, solve problems, and make data-driven decisions.
- Experience working with contract manufacturers or cross-site production teams is an advantage.
- Strong communication skills in English; additional languages are a plus.
