Job Description

My client is a premium medical wellness clinic in Phuket. The clinic provides personalized wellness, preventive healthcare, and medical services to both local and international clients in a luxury setting.

We are looking for a Medical Doctor to provide medical consultations, wellness treatments, and ongoing care for our clients. This role focuses on preventive health, personalized wellness programs, and excellent client experience.

Job Description

- Conduct medical consultations, physical check-ups, and health assessments
- Review medical history, lab results, and health screening reports
- Design personalized treatment and wellness plans based on each client's needs

- Prescribe medication and recommend medical or wellness treatments when appropriate
- Monitor treatment progress and adjust care plans as needed
- Provide follow-up consultations and ongoing medical advice
- Supervise medical procedures and ensure treatments are performed safely
- Work closely with nurses, therapists, and wellness staff to deliver integrated care
- Explain medical conditions and treatment options clearly to clients
- Maintain accurate and up-to-date medical records
- Ensure all medical practices follow clinic standards and medical regulations
- Support a high-quality, professional, and client-focused clinic environment

Qualifications

- Medical Degree with a valid Thai Medical Council license
- More than 5 years of experience as a medical doctor, with hands-on experience in aesthetic or cosmetic medicine
- Experience performing or supervising aesthetic procedures such as injectables, skin treatments, anti-aging, or laser-based treatments is preferred
- Ability to communicate clearly and professionally in both Thai and English, confident in consulting international and VIP clients
- Certification or training in aesthetic medicine, dermatology, or anti-aging treatments is a strong advantage
- Professional, ethical, and detail-oriented mindset, with a strong service attitude suitable for a premium aesthetic and wellness clinic
