Job Description

Job Title: Accounting Manager

Business: Manufacturing

Location: Ayutthaya

Job Overview

We are seeking a highly capable and responsible Accounting Manager to oversee all accounting and finance functions of our manufacturing business. The successful candidate will play a key role in financial management, statutory compliance, reporting, and team supervision, working closely with management, auditors, and external authorities.

Key Responsibilities

- Manage all accounting and finance functions, including monthly closing, AR, AP, cash flow, taxation, reporting, and forecasting.
- Execute and coordinate accounting closing activities to ensure timely and accurate month-end closing.

- Prepare month-end reports, financial analysis, and account reconciliations.
- Monitor daily accounting operations to ensure accuracy and compliance with company policies.
- Prepare annual budgets and monthly P/L forecasts.
- Prepare statutory financial statements and coordinate closely with auditors and external parties.
- Liaise with the Revenue Department on taxation matters and compliance issues.
- Ensure effective tax control and preparation of consolidated packages.
- Train, supervise, and coach team members on company accounting procedures and policies.

Requirements

- Bachelor's degree in Accounting; CPD certification is preferred.
- Proven experience as an Accounting Manager, overseeing the full accounting and finance function.
- Strong background in a manufacturing company, preferably within a Japanese manufacturing environment.
- Proficient in Microsoft Office applications with solid knowledge of accounting systems; SAP experience is highly desirable.
- Intermediate in English, both written and spoken.
- Strong interpersonal and communication skills with the ability to work under pressure.
- Dynamic, highly responsible, and deadline-oriented with strong problem-solving abilities.
- Preference for candidates who are motivated to work in a Japanese company culture.

What We Offer

- Competitive salary and benefits
- Opportunity to work in an international manufacturing environment
- Professional growth and leadership development

If you meet the above qualifications and are ready to take on a challenging and rewarding role, we encourage you to apply
