Job Description

The organisation is a multi-brand operator that acquires, manages, and scales products within the baby and juvenile category. Its mission is to combine strong operational execution with a customer-first mindset, supporting families through every stage of early childhood. The team brings experience from investment banking, venture capital, and e-commerce, and values a hands-on, low-ego, problem-solving culture.

Location: Madrid, Spain

Role Overview – Finance Lead

The Finance Lead oversees financial reporting, analysis, and performance management for multiple business segments. The role ensures regulatory compliance, accurate accounting records, and effective control of segment P&Ls, cost centres, cash flow, and working capital. It also contributes to financial statement preparation, month-end close, and restructuring projects.

Key Responsibilities

- Manage monthly reporting for assigned business segments, including variance analysis and commentary.

- Present financial results to segment leadership and support profitability improvements.
- Prepare and analyse core financial statements.
- Lead specific areas of the month-end close process.
- Support annual audit deliverables and group financial statements.
- Reconcile ERP and BI systems.
- Conduct FP&A activities such as budgeting, forecasting, and strategic analysis.
- Oversee cash management and approve weekly payments.
- Co-lead the budgeting process with segment leadership.
- Identify and implement process improvements.
- Manage and review the work of two finance analysts.

Candidate Profile

- Background in accounting or training from an international accounting firm (approx. 4 years ideal).
- Strong knowledge of IFRS.
- Highly organised, detail-oriented, and proactive.
- Experience supporting senior leaders through budgeting, forecasting, and financial analysis.
- Strong analytical skills with the ability to identify trends and variances.
- Excellent communication skills across all levels and functions.
- Adaptable, eager to learn, and comfortable in a fast-paced environment.
- Collaborative team player open to new initiatives and one-off projects.
- Experience with ERP/BI tools (e.g., NetSuite, Tableau) or fast-moving e-commerce/retail environments is beneficial.
- High level of English proficiency; additional languages are a plus.

I look forward to your application!
