Job Ref: GM0SE1

Responsibilities:

- Originate, market, structure, and execute export finance, project finance, and structured finance transactions
- Collaborate with Coverage to strengthen relationships with Japanese clients
- Manage financial and non-financial risk assessments as the first line of defense
- Support senior management with portfolio monitoring and reporting requirements

- Ensure compliance with internal and regulatory standards
- Contribute to strategic initiatives and business development activities

Requirements:

- Bachelor's degree or above
- More than 3 years of experience with an export finance, project finance, structured finance team
- Business level Japanese; proficient in English

Company Description

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
