Job Description

■ Job Title

Night Shift Data Center Operator | Stable Income | Tokyo

■ Overview

Join a long-term night shift role supporting a major financial-sector data center in Tokyo.

This is an excellent opportunity for candidates seeking stable income, fewer working days per month, and hands-on experience in a professional IT infrastructure environment.

No prior data center experience is required. Full training and on-the-job support will be provided.

■ Why Join This Role?

- Stable long-term project with major financial client
- Approx. 14–16 working days per month
- More than half the month off
- Night shift role with reliable income
- Full training and OJT provided
- Gain practical IT infrastructure experience
- Tokyo location with easy access

■ Responsibilities

- Manage access control for visitors and vendors
- Escort contractors and on-site visitors
- Receive deliveries and equipment shipments
- Perform routine patrol checks inside the facility
- Handle first-line incident reporting and escalation
- Maintain operation logs and documentation
- Coordinate with internal teams in Japanese
- Support smooth night shift operations

No advanced server engineering work required.

■ Location

Toyosu area, Koto-ku, Tokyo

(Full details will be provided during interview)

■ Working Hours

20:00 – 08:00 (12-hour night shift, breaks included)

Approx. 14–16 working days per month

2 days on / 2 days off rotation

■ Holidays / Days Off

More than half the month off depending on shift schedule

Required Skills

■ Requirements

Must Have

- Business-level Japanese communication skills
- Basic PC skills
- Ability to work night shifts
- Responsible and professional attitude

Preferred

- Data center experience
- IT support / operations experience
- Facilities / logistics / security experience
- Shift work experience
- Basic English communication skills

■ Ideal Candidate

- Looking for stable monthly income

- Prefers fewer working days per month
- Interested in IT infrastructure work
- Comfortable with operational tasks
- Reliable and detail-oriented

■ Employment Type

Full-time / Contract (depending on experience and background)

■ Salary

Competitive compensation based on experience and skills.

Details will be discussed during interview.
