Job Description

A global consumer goods manufacturing company is looking for a Quality Engineer. The selected candidate will drive product and process quality, lead continuous improvement initiatives, and support compliance and operational excellence across manufacturing operations.

Headquartered in Europe, this company is responsible for manufacturing a wide portfolio of consumer goods. With a long history of successful operations, this organisation continues to strengthen its global network.

Keywords:

インダストリアル, メーカー, 製造業, 機械, エンジニア, 求人, 外資系

Job Ref: GZP3ZG

Responsibilities:

- Ensure product and process quality across manufacturing operations
- Lead continuous improvement initiatives to enhance efficiency
- Support internal and external audits and ensure compliance standards
- Collaborate with cross-functional teams across regional and global offices
- Analyse quality data to identify gaps and implement corrective actions
- Contribute to projects that improve overall operational performance

Requirements:

- Bachelor's degree or above in engineering, Chemistry, or a related field
- 3-5 years of experience in manufacturing quality roles
- Understanding of quality tools such as FMEA, MOC, SPC, A3, 8D, and 5 Why
- Business level reading and written Japanese (JLPT N1 is ideal) and English

Preferred requirements:

- Experience in Japan
- Prior experience with ISO standards or industry-specific regulations
- Proven experience with SAP system
- Background with process improvement, production optimisation, and efficiency projects
- Understanding of Lean manufacturing principles
- Possess Six Sigma Green Belt or similar certification

Benefits:

- Gender-neutral parental leave for a minimum of 8 weeks
- Employee Share Plan with voluntary investment and the company matching shares
- Retirement Pension Plan (Corporate DC and CB composition)
- Sick Leave
- Group Term Life Insurance
- Supplementary Workers' Accident Insurance

Company Description

We've been a driving force in the Japanese bilingual recruitment market, providing high quality candidates for our clients and access to the best jobs for over 20 years. We operate a team-based profit share system which, we believe, sets us apart from the majority of competitors by enabling us to always put the interests of our clients and candidates first. That means we can find the best fit for employer and job seeker, and we never push people into unsuitable roles.
