Job Description

Key Responsibilities:

1. Capital Raising

- Lead raising of debt (USD & IDR) including term loans, working capital lines, and structured facilities
- Manage relationships with banks, financial institutions and credit funds
- Optimize capital structure, cost of funds, and liquidity planning
- Structure and execute trade finance, RCFs, and other short-term facilities

2. Project Finance

- Lead end-to-end financing of greenfield projects (energy, infrastructure, petrochemical preferred)

- Structure limited recourse / non-recourse financings
- Coordinate with lenders, advisors, EPC contractors, and internal stakeholders
- Oversee financial modelling, bankability, and risk allocation frameworks

3. M&A & Strategic Transactions

- Identify and execute acquisitions, divestments, and strategic partnerships
- Lead valuation, due diligence, structuring, and negotiations
- Drive post-merger integration and synergy realization

4. IPO & Capital Markets

- Support IPO readiness and execution, including advisor coordination
- Manage investor engagement and capital markets strategy
- Ensure compliance with listed company requirements and governance standards

5. Stakeholder & Relationship Management

- Build and maintain strong relationships with local Indonesian banks, international lenders, investors, and regulators
- Act as a key interface with senior management, shareholders, and external stakeholders

Key Requirements:

- 12-15+ years of experience in corporate finance / investment banking / project finance
- Proven track record in raising debt (local & foreign currency)
- Strong network across Indonesian and international financial institutions
- Hands-on experience in project finance (greenfield)
- Demonstrated M&A execution experience
- Exposure to IPO / listed company environment
- Strong financial modelling, structuring, and negotiation skills
- Experience in Oil & gas, Petrochemicals, Energy, infrastructure, or industrial sectors preferred
