### Job Description

**«Job Description & Position Highlights»**

- Responsible for planning and executing public relations strategies for the Japanese market, and overseeing internal and external communications
- Ability to optimize global strategies for the Japanese market and contribute to enhancing the corporate brand
- Ability to collaborate with senior management and overseas teams to drive public relations initiatives with autonomy
- A position at a foreign-affiliated company where you can utilize your English skills and work flexibly in a multicultural environment

**【Job Responsibilities】**

We are looking for a Head of Communications – ALTEN Japan to lead our communication efforts in the Japanese market. This role requires both adaptation and execution: at times, you will tailor the group's global communication strategy to the local market; at other times, you will implement global guidelines directly to ensure alignment and consistency with the Group strategy. You will support business objectives, recruitment efforts, and employer branding, acting as a key bridge between the global communications team and the local organization.

**■Key Responsibilities :**

- Global–Local Alignment: Ensure consistent implementation of global communication guidelines in Japan, while identifying when adaptation is required to fit the local culture and market dynamics.
- Local Communication Initiatives: Design and execute locally relevant campaigns that resonate with Japanese audiences, while staying aligned with the group's overall brand and messaging.
- Employer Branding & Recruitment Communication: Partner with HR and Talent Acquisition to strengthen our employer brand in Japan and support recruitment campaigns.
- Business Partnering: Work closely with business teams to provide communication support for commercial priorities, events, and client-facing initiatives.
- Internal Communications: Develop engaging initiatives to connect employees with the group's mission, values, and culture.
- Media & PR: Manage relationships with local media, prepare press releases, and support thought leadership opportunities.
- Content Creation: Produce, adapt, and localize content for digital channels, social media, internal platforms, and events.
- Monitoring & Reporting: Measure impact, share insights, and report to both local and global leadership.
