## Required Skills

We are looking for a commercially minded strategic marketer who can operate across both traditional and digital channels while adapting to a vet recommended model:

- Strong strategic thinking with the ability to prioritize across multiple brands.
- A retail mindset ideally with exposure to e commerce or consumer driven channels.
- The ability to bridge strategy field execution and evolving channel dynamics within a vet centric organization.
- Strong communication skills including business level English for global collaboration.
- Open to backgrounds outside of animal health ( e.g. FMCG or human pharma ) provided the candidate can adapt to a technical/scientific environment.
