### Job Description

**COMPANY OVERVIEW**

An asset management subsidiary of the leading insurance company is seeking an Assistant VP, Fixed Income.

**RESPONSIBILITIES**

- Conduct fundamental credit analysis with emphasis on financial modeling to identify profitable corporate bonds for the portfolio.
- Create in-depth earnings reports including financial projections, credit valuation and recommendations based on expected performance.
- Present detailed and persuasive company reports to PMs reviewing potential investment ideas; consult with management on proposed investment ideas and strategies.
- Liaise with industry sources to capture and develop new investment ideas; pro-actively collect and interpret market

information.

- Foster the development of global views across teams located in Tokyo; provide thorough and timely research to secondary audience abroad.
- Miscellaneous duties as assigned.

## REQUIREMENTS

- Bachelor's degree in Finance, Accounting, Economics or equivalent concentration; MBA and/or CFA designation preferred.
- At least 3-5 years of experience in credit analysis, fixed income and fund investing with an understanding of the wider financial environment; both buy-side and sell-side corporation experience are welcome.
- Strong command of MS Office software and advanced Excel; proficiency with Bloomberg and related automated research tools.
- Company research, asset valuation and relative value analysis capabilities required.
- Outstanding analytical, financial modeling, written and verbal communication skills; ability to persuasively present recommendations of profitable investment ideas.
- Detail oriented, pro-active and able to excel in a highly collaborative global team.
- A flexible team player able to adapt to change.
