Job Description

Job Overview

An exciting opportunity to join a leading global consumer business as a key member of the Corporate Accounting team. This role is responsible for overseeing financial reporting, technical accounting matters, audit and tax coordination, and driving accounting-related projects and process improvements. The position partners closely with senior leadership to support compliance, financial transparency, and business decision-making.

Key Responsibilities

- Lead internal and external financial reporting and disclosures.
- Manage relationships with external auditors and advisors.
- Provide technical accounting guidance to business stakeholders.
- Lead accounting, compliance, and system-related projects.
- Support tax reporting and tax-related initiatives.
- Conduct financial analysis and provide insights to management.
- Drive process improvement and operational efficiency initiatives.
- Manage, coach, and develop team members.

Required Skills

Requirements

- CPA qualification (Japan CPA preferred; equivalent qualifications considered).
- Strong experience in financial reporting, accounting, and audit.
- Team management and stakeholder management experience.
- Proven project leadership and problem-solving skills.
- Advanced Japanese communication skills (JLPT N1 level or equivalent).
- Bachelor's degree or above.

Preferred Qualifications

- Big 4 accounting firm experience.
- Experience within a listed or multinational company.
- Business-level English.
